Pat Speece - Bass / Jon Altman - Piano/Keys

Released 5/2/2006

**What If...**, **Infinite Frequency's** debut album, features an impressive and original collection composed by front man Ian Franklin Wilkerson. Recorded and mixed on analog tape, **What If...** captures the sonic texture of **Infinite Frequency's** live performances. Passionate lead vocals, distinct guitar work and a unique groove blending funk, alternative and pop-rock are the hallmark of Infinite Frequency's sound. A musical journey through Franklin's life, with themes of love, friendships, inspirations, joys, passions and pain, the album provides listeners with a distraction from their own lives, to enjoy life in the infinite expression of music. The vision behind **Infinite Frequency's** sound is to invite the masses into sharing a unified direction, a reformation of the way we live; the album ultimately calls for social change.
